## March 25th : \*CLOSED UNTIL FURTHER NOTICE\*

Dear Emilie Congregation and Community,

Our thoughts and prayers continue to be with everyone affected by Covid-19 at this time.

We have been closely monitoring the situation in our county and state. In accordance with the Governor's state of emergency, and guidelines set by the CDC, Emilie United Methodist Church will remain closed past the previously posted date of March 29, until further notice. Emilie Christian Day School will also remain closed, and there will be no groups meeting in the main church or the chapel at any time. The Emilie staff will be entering the building only to carry out essential tasks, and will follow strict disinfecting procedures.

Worship will look a little different for us for us for a while. Pastor Mike, Ryan, and Ann all will be posting weekly videos on the church's Facebook page. We would also encourage you to stay active on the church's website- [emilieumc.com](http://emilieumc.com). There you will find links to our Facebook worship videos, a place to submit prayer requests and join the prayer team, the GIVE tab where you may continue your weekly tithing, and so much more important information. Please note that if you do not have a personal Facebook page, you can still view the worship videos by following the links on the website. Even though we cannot be together in the building, we can still be the church, and we will continue to worship the Lord and care for each other, as he would have us do.

Remember the words of Isaiah 41:10...

"Fear not, for I am with you; Be not dismayed, for I am your God. I will strengthen you, Yes, I will help you, I will uphold you with My righteous right hand."

Please continue to contact us at the church office 215-945-5502, and the staff and leadership at the e-mails below. The church office staff will be monitoring voicemail and e-mail, and will return your messages just as soon as we can.

For emergencies, please call the pastor call line at 215-945-5503.
